OWNERS ON THE WAITING LIST

If a homeowner moves to the top of the boat storage waiting list and they are not current on their Oak Tree homeowners dues, they will be contacted by the management company and given 30 calendar days to bring the account current. If the account is not brought current, a hearing will be held by the Board of Directors at the end of the 30 calendar days and the space will be assigned to the next person on the list (who must also be current). The individual who is delinquent will remain at the top of the waiting list and will not be considered for a space until the account is current with no further hearings being required.
